društva i koji ima najmanje 90% glasova svih akcionara koji poseduju obične akcije, skupština donosi odluku o prinudnom otkupu svih akcija preostalih akcionara društva.

S obzirom da Otkupilac prelazi prag od 90% propisan članom 515. stav 1 Zakona, Otkupilac je koristeći svoje pravo propisano Zakonom podneo Predlog Društvu, te je Upravni odbor Društva dana 16.11.2016. godine doneo odluku o sazivanju vanredne sednica skupštine akcionara za 13.12.2016. godine sa predlogom za usvajanje odluke o prinudnom otkupu na dnevnom redu.

capital and who has minimum 90% of votes of all holders of ordinary shares the Shareholders' Assembly Meeting shall pass a decision on squeeze-out of all remaining shareholders of a company.

I Način utvrđivanja cene akcija u skladu sa članom 516. Zakona

Kada je u pitanju način utvrđivanja cene akcija u prinudnom otkupu, član 516. stav 1 upućuje na shodnu primenu odredaba Zakona o isplati nesaglasnih akcionara.

U konkretnom slučaju cena po kojoj se vrši prinudni otkup se određuje primenom pravila o isplati nesaglasnih akcionara i stoga mora biti jednaka najvišoj od sledećih vrednosti: knjigovodstvene vrednosti akcija, tržišne vrednosti akcija utvrđene u skladu sa članom 259 stav 1 Zakona ili procenjene vrednosti akcija utvrđene u skladu sa članom 51. Zakona. S obzirom da akcije Društva nisu likvidne, jer nije ispunjen uslov iz člana 259 stav 1, cena po kojoj se vrši otkup jednak je većoj vrednosti od sledeće dve: knjigovodstvene odnosno procenjene vrednosti akcija u skladu sa članom 51 Zakona.

Knjigovodstvena vrednost iznosi 187 dinara po običnoj akciji odnosno 187 dinara po preferencijalnoj akciji, dok je procenjena vrednost akcija utvrđena u skladu sa članom 51 Zakona i utvrdio ju je WM Equity Partners doo Beograd kao stručno lice te ona iznosi 126 dinara po običnoj akciji odnosno 126 dinara po preferencijalnoj akciji.

I The method of determination the price of shares pursuant to the article 516 of the Companies' Act

As for the manner of determining the price of shares in the squeeze-out process, the article 516 para 1 refers to the provisions of the Companies' Act pertaining to the payout of dissenting shareholders.

In this particular case, the squeeze-out price is determined by applying the rules on payout of dissenting shareholders and thus should be equal to the highest value of the following: the book value of the shares, the market value of the shares determined in accordance with Article 259 para 1 of the Companies Act, or the appraised value of the shares determined in accordance with Article 51 of the Companies Act. Since the shares of the Company do not fulfill the liquidity condition from the Article 259 para 1, the squeeze-out price is equal to the higher of the two values: the book value or the appraised value determined in accordance with Article 51 of the Companies Act.

The book value amounts to 187 RSD per ordinary share i.e. price of 187 dinars per preferential share, while the appraised value is determined in accordance with Article 51 of the Companies Act and is determined by the WM Equity Partners doo Beograd as the competent entity, and thus it amounts to 126 RSD per ordinary share i.e. price of 126 RSD per preferential share.

Kako je knjigovodstvena vrednost veća, Otkupilac je u obavezi da otkupi akcije po ceni od 187 dinara po običnoj akciji odnosno 187 dinara po preferencijalnoj akciji.

Prema članu 475. Zakona ova cena se uzima kao cena po akciji u prinudnom otkupu.

II Podaci o svim vrednostima akcija:

Kako je napred navedeno, cena u prinudnom otkupu se u konkretnom slučaju određuje primenom člana 475. Zakona, i to je cena u iznosu od 187 dinara po običnoj akciji odnosno 187 dinara po preferencijalnoj akciji jer odgovara knjigovodstvenoj vrednosti kao višoj od procenjene vrednosti koja iznosi 126 dinara odnosno 126 dinara.

III Pravo akcionara na isplatu utvrđene cene:

Akcionar čije su akcije predmet prinudnog otkupa ima pravo na isplatu cene od 187 dinara po akciji utvrđene u skladu sa članom 475. Zakona, kao ceni koja je jednaka višoj od knjigovodstvene, odnosno procenjene vrednosti po akciji.

IV Pravo na pobijanje odluke o prinudnom otkupu i ispitivanje primerenosti cene od strane suda

a. Pravo na pobijanje odluke skupštine Društva o prinudnom otkupu

U skladu sa članom 520. Zakona svaki akcionar ima pravo na pobijanje odluke o prinudnom otkupu.

Rok za podnošenje tužbe je 30 dana od dana donošenja odluke skupštine.

Saglasno članu 376. Zakona jedan ili više akcionara koji imaju pravo na učešće u radu sednice skupštine mogu tužbom nadležnom sudu pobijati odluku donetu na toj sednici skupštine i tražiti naknadu štete

Since the book value is the higher one, the Acquirer is obliged to purchase shares at a price of 187 RSD per ordinary share i.e. price of 187 RSD per preferential share.

According to Article 475 of the Companies' Act, this price is taken as the price per share in squeeze-out.

II Data on all values of the shares:

As stated above, the squeeze-out price in this particular case is determined by applying the article 475 of the Companies' Act and that is the price of 187 RSD per ordinary share i.e. price of 187 RSD per preferential share, as the price that is equal to the book value as the one higher from the appraised value that amounts to 126 RSD i.e. 126 RSD.

III Shareholder's right to payment of determined price.

A shareholder whose shares are subject to squeeze-out process is entitled to payment of price of 187 RSD per share, determined in accordance with Article 475 of the Companies' Act, as the price that is equal to the higher value of the book, i.e. appraised value per share.

IV The right to file a suit for denial of the Decision on squeeze-out and Judicial Review of Appropriateness of Price

a. The right to file a suit for denial of the Decision of the Shareholders' Assembly on squeeze-out

In accordance with Article 520 of the Companies' Act, each shareholder has the right to file a suit for denial of decision of the squeeze-out.

The deadline for filing a suit is 30 days from the date of the decision of the Shareholders' Assembly.

According to the article 376 of the Companies' Act one or more shareholders entitled to participate in a Shareholders' Assembly may file a law suit to the competent court for denial of the
